15 SUPER SOAKER 2000's UP FOR GRABS!

WOW! IS THIS A MEGA COMPETITION ...OR WHAT? SEND YOUR STREET CRED SKY HIGH WITH ONE OF OUR FAB PRIZES!

IDEAL SUMMER FUN

Stand by for the ULTIMATE in water guns! The super-duper SUPER SOAKER 2000 is the big, big brother of the Super Soakers 50, 100 and 500 – and, man, is it *mighty powerful!* The brightly-coloured power pack can shoot jets of water up to 35 feet! It's got a reserve tank, as well – and a handy carrying strap. You simply use the hand pump to build up pressure in the water reservoir, then pull the trigger to send a soaking jet of water shooting towards your target. Now, those ice cool dudes at IDEAL have given us 15 of these wonderful water guns to offer as prizes in another brilliant BUSTER competition. So, if you'd like to get your hands on one – *read on!*

HOW TO ENTER:

Printed below are 10 key words associated with the SUPER SOAKER 2000. All 10 words are hidden in the grid on the right – all you have to do is find them. Each word is in a straight line, but may be in any direction. Draw a line through each word on the grid, as you find it. When you have found all 10, cut out the grid and stick it on a postcard or the back of a sealed, empty envelope. Add your own name and address, and send to: SUPER SOAKER 2000 COMPETITION, *BUSTER* COMIC, P.O. BOX 164, CHELMSFORD, CM1 3XB. Closing date for entries is Friday, 27th August, 1993. The senders of the first 15 all-correct entries opened after that date will win the prizes. Usual BUSTER competition rules apply. The Editor's decision is final.

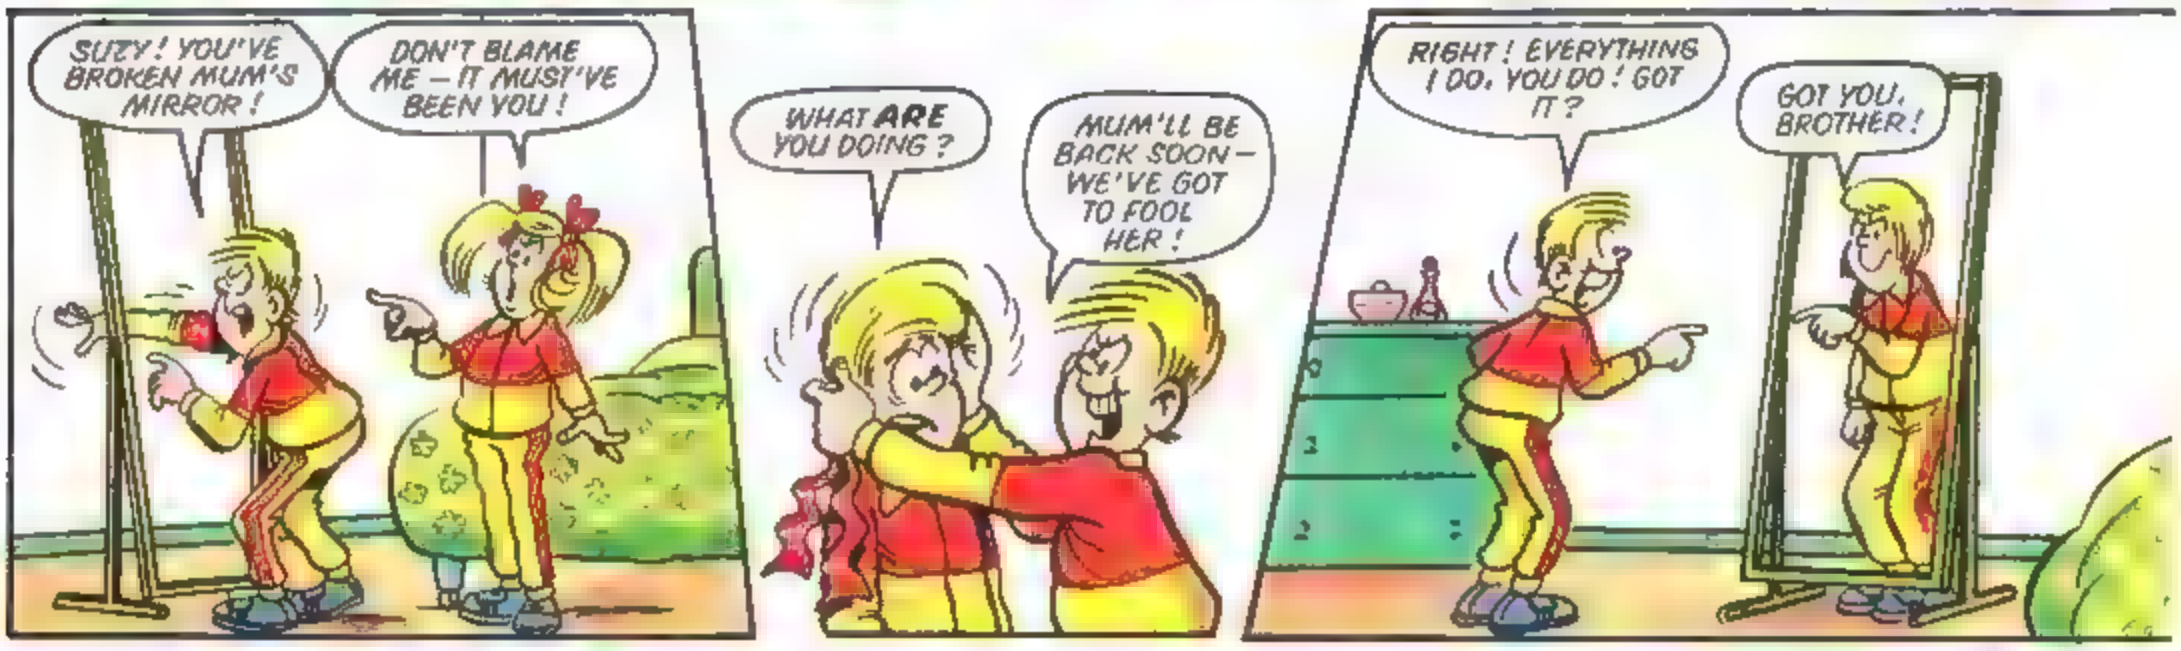
DOUBLE TROUBLE



Buster's SEASIDE MIX-UPS GAME!

Buster and his pals had some funny photos taken at the seaside. But if you think they look strange here - wait until you play our game. Cut out each character as they are seen here, then stick them on card - an old cereal packet would be fine. Next, cut the figures into three sections where indicated. Make three piles, for heads, bodies and legs. Shuffle each pile and put them face down, then take turns to choose a head, a body and legs, and put them together face up to see if they match the original picture. If they don't, return the sections to their piles, and shuffle again. Then it's the next player's turn to choose. Play until someone gets it right - and have loads of laughs in between at the crazy mixed-up figures you get WRONG!
